

Look Good...Feel Better 2nd Annual Golf Challenge 11th March, Steenberg Golf Club

100 players from CT and Jo'burg sought greener pastures (out of the office); met up with their four ball players at the Elizabeth Arden Registration table; sipped refreshing Redespresso cocktails; swung their clubs to give them a blaze of glory; enjoyed lunch thanks to Indigo Cosmetics, then soaked up the sun before relaxing at the 19th hole!

Prize giving and dinner was once again a fun filled event with MC - Matthew Pearce regaling rugby stories! All left for home laden with exciting goodie bags, hampers, happy memories of another LGFB Golf Day and plans to be at LGFB's Jo'burg Golf Day on 3 August.

Once more LGFB received phenomenal support for our golf day.
