Look Good...Feel Better.

The cosmetic industry helping women
cancer patients look their very best

Steve Biko, Thursday, January 28th, 2010

Remember – if you ever need a helping hand,
you'll find one at the end of each of your arms.
As you grow older, you will discover that you
have two hands, one for helping yourself and
the other for helping others – Audrey Hepburn

22/4/1927 Pretoria General Hospital

If ever there was a workshop you wanted to be
part of – it had to be this one. It was extra special.
Our “model”, thanked (on behalf of all 19 ladies)
the volunteers (each one by name), the Sponsors
and LGFB for giving them “a pain-free” morning.
These ladies were awesome and ended the
morning with a song. Believe me there was not a
dry eye to be seen. Wow what an experience! The
much improved facility was of course an additional
bonus.

“Before” shot - our ladies still a wee bit pensive

Susan did you say these are ours –

Yes for sure

Susan and Nadia adding that gentle touch

Letta was convinced that after today she
would find herself a husband !!!!!!!

Wow – see what we mean – this is our “After” shot.

**To our very special
Members – there is
no end to the joy you
give these ladies.
A special mention -
Sanofi Aventis for
the water and fruit –
we thank you.**
